

An Eerie Crossword

By: CM McCoy

Hailey's dreams have always been, well...vivid. As in monsters from her nightmares follow her into her waking life vivid. When her big sister goes missing, eighteen-year-old Hailey finds the only thing keeping her safe from a murderous 3,000-year-old beast is an equally terrifying creature who has fallen "madly" in love with her. Competing to win her affection, the Dream Creature, Asher, lures her to the one place that offers safety-- a ParaScience university in Alaska he calls home. There, she studies the science of the supernatural and must learn to live with a roommate from Hell, survive her ParaScience classes, and hope the only creature who can save her from an evil immortal doesn't decide to kill her himself.

"An emotional roller coaster and the most unique YA paranormal to date."

"SUPER suspenseful, deliciously dark and creepy, with heart-breakingly dysfunctional romances and a quirky heroine-- *Eerie* will have you reading at red lights." - Goodreads Reviews
